

Undergraduate Industry Experience Programme (UIEP)

Frequently Asked Questions (FAQ)

1. What is the objective of this program?

The UIEP program is a human capital development initiative aimed at training engineering students to become a competent local workforce as engineers or executives, specifically within the automotive sector and its ecosystem. This program rapidly increases industry-related knowledge.

2. Who is eligible to participate in this programme?

- Status: Open to Bumiputera citizens.
- Education: Bachelor's degree students in related engineering fields, from first year to final year.
- Age: Between 21 and 27 years old.
- Health & Conduct: Physically healthy and no criminal record

3. How can I apply?

Applications can be made online through:

- Official website: www.marii.my
- Application link: <https://forms.gle/HZpkpbim3ubkAM73A>
- Or by scanning the QR code provided in the official programme poster

Ensure all information is completed and supporting documents are uploaded before the application deadline.

4. Is there any fee to participate

No, participation is free and no fees are required.

5. How long is the programme?

The programme runs for 4 days.

6. What types of modules are included in the in-class training?

Technical skill modules that are recognized and tailored to current industry requirements.

Undergraduate Industry Experience Programme (UIEP)

Frequently Asked Questions (FAQ)

7. What benefits will participants receive?

- Certification recognised by MARii and the industry
 - Industry-based, relevant, and practical training modules
 - Allowance provided throughout the training period
 - Takaful (insurance) coverage during training
 - Guaranteed job opportunities in the automotive, manufacturing, and related ecosystems
-

8. What are the requirements to receive the allowance?

Participants must attend all classes throughout the 1-month programme and sign daily attendance records as proof of participation.

9. Can I join if I have other commitments (e.g., work or studies)?

No. Participants are required to fully commit throughout the programme duration. Full attendance is mandatory to qualify for benefits such as allowance and certification.
